

Dear Affiliate:

Effective February 15th, 2010, we will be changing our key code policies to provide you with a more reliable and secure service. We want to eliminate the possibility of individuals attempting to get access to key-codes without your permission as well as ensure we have the most updated documents from your company. Therefore, it is important that you provide the following information:

- Current company contact information such as address, phone number, e-mail address, etc.
- Crystal clear copies of **AT LEAST ONE** valid and current government-issued business document
  - A complete and accurate list of acceptable documents include the following:
    - Locksmith License (valid for 2010)
    - Business License (valid for 2010)
    - Sales Tax License (valid for 2010)
- Picture perfect copies of **ALL THREE** of the following items from **each** requestor
  - Valid driver's license
  - 2010 payroll stub (or FBN Statement for one-person sole proprietorships)
  - Signature (written clearly with a sharpie pen or marker)

\* ONLY requestors can ask for and receive codes. A maximum of THREE requestors will be allowed for each company. A criminal background check will be run to officially authorize each requestor from your company. By authorizing this background check, you are helping to make our services faster and more reliable.

If you can send the packet back to us before February 15, 2010, you will receive a complimentary poster and a free key-code. You will also be thrown into a drawing at the end of the month for a grand prize.

If you have any questions regarding this policy, please contact us at 1.866.289.5397. We appreciate your cooperation and understanding of this matter. Thank you for your time. As always, we value your business and look forward to an exciting new year.

Warmest Regards,
